This winter, six restaurants are set to open at Goodyear Centerpointe, the new shopping center at Interstate 10 and PebbleCreek Parkway.

The restaurants are:
Ah-So Sushi and Steak
Berry Good Yogurt.

- Olive Garden.
- Red Lobster.
- Paradise Bakery and Cafe.
- Rubio's Fresh Mexican Grill.

The project's developer, Evergreen Development, said the restaurants will start opening in January and continue through the summer.

"This collection of restaurants will provide our customers with a terrific variety of dining opportunities," Gregg Alpert, chief operating officer of Evergreen, said in a written statement. "They offer a multitude of international cuisines, and they vary in price points to satisfy everyone's budgets and occasions."

Meanwhile, anchor tenants at Goodyear Centerpointe have opened for the holidays, including BevMo, Sport Chalet, Mervyns, Toys "R" Us and Babies "R" Us. Circuit City is planning a grand opening this month, according to Evergreen.
