CB Richard Ellis, a commercial real estate services firm, announced it negotiated the lease of a building in the Panattoni Chandler Airport Center to Education Management LLC, a provider of post-secondary education whose portfolio includes the Art Institutes and Argosy University.

The company will lease nearly 47,000 square feet of space in the building at the northeast corner of Cooper and Germann roads in the Chandler Airport Center. CB Richard Ellis said the transaction is the largest lease signed in the south East Valley this year. The company represented the landlord, California-based Panattoni Development Co.
